

Mustansar Hussain

MERN stack developer

Lahore 54782

malikmustansarhussain7766@gmail.com

+92 311 5170829

Motivated and detail-oriented Junior MERN Stack Developer with 1+ year of hands-on experience in full-stack web development, both as a team member in a software company and as a freelancer. Proficient in building scalable, responsive, and secure web applications using MongoDB, Express.js, React.js, and Node.js.

Skilled in API integration (Zoom, Stripe, Google Sign-In), website optimization, SEO best practices, and bug fixing for live projects. Experience working on a range of real-world applications including food delivery systems, school and hospital management platforms, and POS systems.

Adept at using Git for version control and deploying applications via Vercel, Netlify, and cPanel. Strong problem-solver with a passion for clean code and performance tuning, and continuously improving communication and collaboration skills through client-facing freelance work.

Willing to relocate: Anywhere

Work Experience

MERN stack developer

HURTECH-Bahawalpur

January 2024 to May 2025
